May 2023

### Class Challenge

Thank you so much to everyone that donated change for our Class Challenge. The winning class was the Robins, as a class they managed to fill their bottle first. We raised an incredible £180, money that we will make sure is put to good use.

### Name The Coronation Bear

It was Freya who guessed the name of our Coronation bear correctly, his name was Lucky. We raised £36, thank you so much to everyone that had a go.

### Friday Tuck Shop

Our tuck shop was a huge success, we couldn't believe the length of the queue. We made £73.10. We hope you all enjoyed your Friday treat.

### Football Tournament Refreshments

We sold hot dogs, tea, coffee and treats at the football tournament at the beginning of the month and had £146.15 in the tin at the end. A huge congratulations to Barnby Road who were the winners. It was fantastic to see our school field being used for such a well organised event, a big shout out to Miss Cousins for putting together such a great tournament.

## **The King's Food and Hygiene Hub**

We had some amazing news last week, Saint Gobain are donating us a brand new storage unit for our Food and Hygiene Hub. This is incredible and will really help us to take our Hub to the next level. Keep an eye on our Facebook page for updates.

We will once again be handing out food and hygiene bags at the end of this half term. Please do make sure you only take one bag, or one of each item.

## **Our Amazing Year 6**

Our year 6 class were absolutely incredible last week during their SATs, so we thought they deserved a little treat, we also made sure that the teaching and support staff were given a treat to thank them for all of their hard work.

## **Dates for the diary**

## **Can you help us?**

We only have a few parent volunteers at the moment, we really do need more if we are to continue to raise money for the school. Volunteering doesn't mean attending every meeting or helping out with everything, it just means you are willing to help out as and when you can. If you'd like more information just speak to one of us or email the office.

## **Do you have any suggestions?**

We would love to hear any suggestions that you may have, both for ways we can raise money and also how we can spend the money raised. Have your children mentioned anything that they would like to do, or things they think the school really needs? If you have any suggestions however big or small please do email the office.

## **Our Next Meeting**

We will meet again after the half term break, keep an eye on our Facebook page for more information.

We have a new notice board in the reception area with our recent fundraising events. Please take a look when you are next in the office.

**Thank you The Friends of The King's.**
