THE FRIENDS OF THE KING'S NEWSLETTER!

21st February 2023

Dear Families

Welcome to The Friends of The King's newsletter.

The King's Food and Hygiene Hub

We are continuing to work hard to get set up, you will notice a slight change to the name, we really want to support our families and have found that it's not only food that is well received but also hygiene items.

Bakkavor, NSK, Asda and Morrisons have continued to support us over this half term for which we are incredibly grateful. Without their help we wouldn't have been able to put together the food bags at the end of last week.

One small thing that we do need to mention, please do make sure you are only taking one bag, or one of each item. We've had a few occasions where people have taken more than their fair share, and that just isn't helpful, we want to make sure everybody that needs or wants to take items can.

Once again, if you work for a business that you think might like to help us, either through food donations or financially then please do email the office. We would be so grateful of any help. Also, if you would like to volunteer we would also really appreciate your help, without volunteers we cannot continue this initiative.

Clothing Swap

Our clothing swap was a great success it was fantastic to see so many families taking home pre-loved clothes. There will be another swap just before Easter, please do consider us if you are having a Spring clearout. We will make sure we send out an email closer to the time.

Future Fundraising

We have lots planned for the rest of the year, our first fundraising event will be the pre-loved book sale on World Book Day (Thursday 2nd March). We will be selling both children's and adults books as well as cook books for just 50p each, we will be in the KS1 playground after school. Any money raised will be put towards purchasing new resources for your children, so please do come along.

If you have any books that you would like to donate, please bring them to the office this week.

Our Next Meeting

We will next be meeting on Thursday 2nd March at 9am. Please do come along if you have any ideas or would like to volunteer. At the moment we only have two parent volunteers and we really do need more if the things we have planned are to go ahead.

Thank you The Friends of The King's.
