Living Well Together

Dear Parents and Carers,

We are really looking forward to our Science Sustainability week this week. Please look at our Facebook for updates throughout the week as we work on improving the biodiversity of our school grounds in honour of Sir David Attenborough on his 100th birthday! The children are really enjoying their Bug Day today!

WOW days

This week, on Thursday some children in Key Stage 2 are going to The Civil War Museum where they will engage in hands-on history through specialist-led workshops such as dressing as soldiers, and exploring the town's Civil War trail.

Our children in Key Stage 1 are having a seaside day on Thursday too! It is going to be a really fun-packed week for everyone!

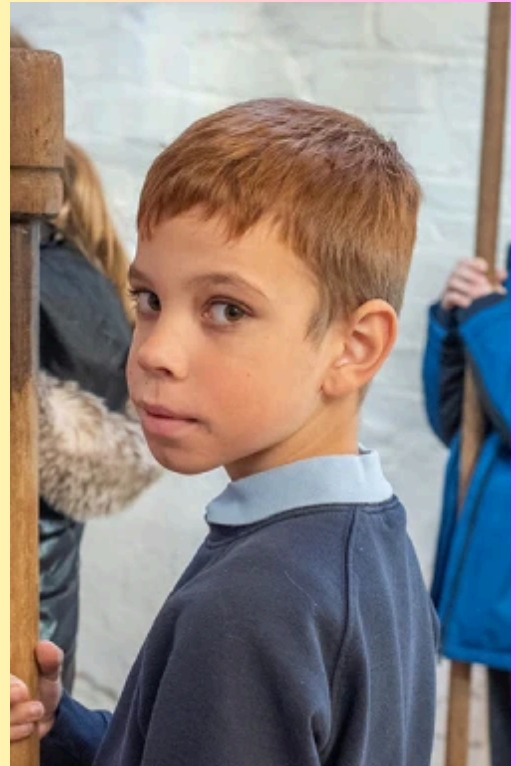

SATs update

I would like to acknowledge how hard our children in Year 2 and in Year 6 worked last week for their SATs. They all did their very best and made us all very proud of them!
