

THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Dear Parents and Carers,

This week, all children in Year 1 and some from Year 2 are being assessed for their phonics understanding. This is a National Screening Process and all results are published so that parents are able to see how well we perform in line with other schools nationally. I am incredibly proud of all of our Phonics teachers who are so determined to get as many children as possible to the level required by the time they exit Year 1. I am even more proud of your children who are making such a determined effort to learn their sounds!

Change to Sports Day

Due to the change in weather , we are now planning to hold our Sports Day on **Friday the 19th June.**

Polite reminder that we have an INSET day this Friday, the 12th June, when children will not come to school.

Our Friends of The King's will be opening our Community Hub again on the **18th June.**

I would like to respectfully remind everyone that we will only hand over food and hygiene products to adults and it is only one parcel per household.

We are very glad to be able to help everyone but we have to insist on these rules to make it manageable and fair for all.

Thank you and my huge thanks to The Friends and contributors for all of their hard work that make it possible for us to help those who need it.

Our summer fayre this year is after school on Thursday 25th June, if you or anyone you know would like a stall, please email or pop in to the office.
