

THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Dear Parents and Guardians,

It looks as if we are set to have soaring temperatures again this week. You will all be pleased to know that we have kept hold of our hired air conditioning units and intend to do so until the end of this term, so that all the children can continue to stay focused and work well whatever the temperatures are doing outside. Please rest assured, your child is safe in school. We will not take the children outside for breaks in the sun when it is too hot, but rather we will give them short spells of time in the shady forest or under the trees on the field at times when it is not safe to use the playgrounds.

Please do make sure all children have plenty of sun cream and sunhats as well as their much needed water bottle with them every day.

COMMUNITY SHOUT OUTS!

I am so happy that the vast majority of transitions for our pupils moving to secondary went exceptionally well and we are so proud of how your children have approached this experience calmly and with excitement at the new adventures ahead!

We will continue to support all children moving up to their new classes with great care to make sure that they all build wonderful relationships with their new teachers.
