

THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Dear Parents and Guardians,

I hope all of our Year 5 and 6 parents and guardians are still feeling immensely proud of the play 'School of Pop', it was the talk of the school last week.

So many of our children are incredibly talented. It is so refreshing to see how personalities shine when children are given such enriching experiences. Thank you for supporting them with learning their lines. They will remember this for the rest of their lives, I am sure!

Please see the next page for a run down of everything that Year 6 has in store during their last two weeks of Primary School, you haven't used your water blaster for the last time yet Paige!

I would just like to give a reminder to all Parents and Guardians to expect your child's end of year school report today.

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the Great British Summer Savings scheme.

**A Message from the
Secretary of State**

Great British Summer Savings

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.
