

THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Dear Parents and Guardians,

Here we are at the end of another wonderful year at The King's. I would like to say a huge thank you to you all for the contributions you all make to our school!

This year, as well as saying goodbye to our fantastic Year 6 children, we also say goodbye to our wonderful Miss Oxberry and to our Counsellor, Mrs Speed (known to the children as Jayne).

Miss Oxberry has brought so much energy and love to our academy, we are going to miss her very much but wish her all the best in her new chapter!

Mrs Speed is easing herself into a less demanding week by reducing one of her work days, we will be forever grateful to her for the difference she has made in the emotional development and well-being of so many of our children. We all wish her well!

As we say a sad goodbye to Miss Oxberry and Mrs Speed, we welcome some new wonderful people to the family of staff here at The King's. In September, Miss Wilson, and Mrs Poole will be joining our teaching team. Miss Taggart, who has been covering maternity leave for Miss Raynor, is also taking on a longer fixed term position. We are delighted with all three of these appointments and are excited by the skillset they are bringing to our team.

We are interviewing in the coming days for a new counsellor so we will be able to keep on supporting our most vulnerable children well in the new school year.

Water fight Wednesday 22nd July

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the Great British Summer Savings scheme.

**A Message from the
Secretary of State**

Great British Summer Savings

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.
