Friends of The King's

The King's community hub celebrated it's first birthday last week. We invited along all the businesses that have helped us make the hub possible. Thank you to everyone who has helped our King's community hub with food and hygiene products, grants and given their time to help open our hub.

The Friends have purchased lots of plants and compost for the planters on the KS1 and EYFS playgrounds. Thank you to our gardening club who will be planting these next week. We have also recently purchased the Wild passport curriculum for our Forest school and the equipment that is needed for this.

We will be running our class coin challenge when we return to school. Each classroom will have a bottle that they can fill with 1p and 2p's. The class that fills their bottle the quickest is the winner. This is a great fundraising activity for the children to take part in, Thank you for your support.

The King's community hub will be open on Thursday, after school, due to our Fareshare delivery of fresh items.
