

The King's C of E Primary Academy

2024

SEPTEMBER 16TH

We are delighted to have been awarded a 'Gold' Green Tree Schools Award. Our thanks go to Mrs Spindley (A founding member of The King's friends Association) who supported us through this process by coordinating all of our evidence and presenting it to them. We are very proud of our links with nature as we believe that outdoor learning has so many benefits for all children.

Here to help...

You will always be able to find a member of our Senior Leadership Team on the gates in a morning or at the end of the day if you have any questions or would like to tell us something. We are always happy to help!

Friends of The King's

We will be running our popular class coin challenge after the half term holidays. Each classroom will have a bottle that they can fill with 1p and 2p coins. The class that fills their bottle the quickest is the winner! This is a great fundraising activity for the children to take part in. Thank you for your support.

Our King's community hub will be open on Thursday morning, please follow our Facebook page for an up to date list of items we have available this week.

We will be holding our AGM meeting on 11th November at 10.30am. Please come along for a coffee and a chat to see what The Friends have achieved this year and our upcoming plans.
