MARCH 17TH

As we are half way through the month of Ramadan, I would like to share how proud we are of the Muslim children in our school, many of whom are fasting this month. On Wednesday this week, I have invited them to share what their faith means to them and to remind other pupils in school of why they are fasting.

Reminders for this week..

Parents and carers evenings —Tuesday and Thursday.

Bikeability for some children in Year 5 will start this Wednesday.

The Spring Football Tournament is on Friday also. Parents/carers are welcome to come along and support their child if they are taking part.

Our Vision

Growing confident and aspirational people who believe in themselves and contribute positively to their community and the wider world.

Here to help...

You will always be able to find a member of our Senior Leadership Team on the gates in a morning or at the end of the day if you have any questions or would like to tell us something. We are always happy to help!

Mrs Clarke Recommends....

Why do we all have different skin colours?

In this charming story, Zahra explores this and thinks about why it is so important to her.

In our beautifully diverse school, it is important that all children understand the beauty of difference and celebrate the fact that we all 'Live Well Together'. This is a great book for all parents to share with their children, opening up the possibility for valuable conversations about race, heritage and inclusion.

Afterschool clubs

There will be no afterschool clubs this week due to parents evening.

Headlice concern

I am concerned that some children in school seem to always have headlice. This is despite conversations with parents to advise them how to get rid of them thoroughly. It only takes one child to keep one egg in their hair, for all children to be at risk of reinfection so please can I ask all parents to follow the advice in the link below

and check all children. If you need help with this, please do speak to Mrs Baker for advice. Please notice if your child's head appears itchy or sore as this is a great indicator that they have lice.

We are looking for a parent/carer to help us sell refreshments at our football tournament on Friday at 1pm. Please speak to Laura in the office if you are able to offer a couple of hours of your time, we would really appreciate your support.
