JUNE 30

Sports Day Success!

Our thanks go to all of the family members who came to support their children last Friday on our Sports Day. You really did make a difference to the excitement of the day. We have some very fast children at The King's—just like their parents!

Class Assembly

Angelou Class Assembly

Parents and carers of children in our Benjamin Class are welcome to join us for their class assembly on Wednesday at 9am. They will be sharing what they have been doing as courageous advocates this year. Next week will be the turn of our **Anning** Class.

Transition

This week is the week when children get to spend some time in their new class. We have one teacher left to appoint, so one Year 5 class will spend time with Mrs Gilbert, in their new room this week, and will then have time with their new teacher in the days to follow. Many of our Year 6s will be at Magnus all week and those leaving us for Suthers or Newark Academy will also have some time at their new school soon.

Please do see one of us on the gate in the morning if you have any concerns or questions about your child's next steps. I am more than happy to introduce you to your child's new teacher if you are not able to put a face to the name. (Miss Ainley and Mrs Fletcher will be with us on Thursday and Friday.)

Our Vision

Growing confident and aspirational people who believe in themselves and contribute positively to their community and the wider world.

Bikeability

We have had Bikeability in now for all children who wished to take part, Years 1-6. This has been such a success that we intend to repeat this again next year. So many children have learnt to ride for the first time and older children have developed the necessary road awareness skills that they need.
