

History certainly came alive at The King's last week as Key Stage 2 children experienced their Stone Age and Tudor Wow Days.

Years 5 and 6 went on a very exciting history walk - they were enthralled to realise how much history evidence there is all around them in our wonderful town of Newark! Thank you to those parents who accompanied the children, they couldn't have gone without you!

Years 3 and 4 had a wonderful day celebrating everything Stone Age. They looked superb in their caveman costumes. As parents, you really do go the extra mile to help your children have such memorable days at school. We are so grateful to you for your support. They had such a fun day!

Thank you to all parents and carers, who attended our Parents evening last week. Please do make an appointment to see your child's class teacher if you couldn't make last week as we really want to share how well your child is doing and discuss their next steps with you so that we can support them fully together.

And lastly, a polite reminder that we break up this Friday for two weeks, returning to school on Monday 3rd November.

THIS WEEK'S EVENTS

A look at the week ahead

Harvest festival

We are visiting Christ Church today at 10am to celebrate our Harvest festival.

Thanking God for the wonderful food that we eat is such a special day in our calendar. I really hope many of you were able to join us for this.

We are still accepting kind donations of packaged and tinned foods for our Community Hub. If you can spare a tin or a packet, we would gratefully make sure that this is passed on to a family in need.

Choir visiting Southwell Minster

The King's choir has been invited to perform alongside other academies in the Trust at Southwell Minster this Tuesday!

This promises to be a very exciting performance. All children are due back in school for the usual finishing time of 3:30pm.

No Room for Racism Event

Ten very fortunate children have been selected from years 5 and 6 to attend an exciting workshop at the Forest ground this Tuesday. They will work alongside children from across the county, exploring the damage caused by racist attitudes and how we can work together to make sure that there becomes no room for racism in our communities!

here for you... THE FRIENDS OF THE KINGS

This week we are gratefully receiving donations of tinned and packeted food that will help restock our shelves to help our families when they need a helping hand.

We are really in need of volunteers who are happy to spare an hour every so often to help make up the food parcels and hand them out. Please see Sarah Dyas in the school office if you are able to help at all.

This week we wish a very happy birthday to...

Adan, Kian, Jessica, Ada, Nicolas, Krystian, Ashton and Jackson.

Have a wonderful birthday that is packed with fun!

We are delighted to have been chosen to be supported by the Withum-St Hughes English Hub to receive support and training over the coming years. Last week we received a prize delivery of some beautiful new books from the Hub - what a delight this was!

Snappy is delighted to share that our attendance for our statutory school age children was above the National Average last week!

We are so grateful that you all work well with us to make sure that your child is in school every school day to make sure that they have the best possible learning opportunities!

B&Q FOUNDATION

We would like to say a huge thank you to B&Q Foundation grant team who are supplying us with the materials and volunteers to help us to rejuvenate our Pond Area when we return to school after the holiday! We cannot thank them enough for their generosity!

Coming up...

Today - 10am Harvest at Christ Church
14th Oct – Choir at Southwell Minster
