

THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Welcome back to the new term at the start of 2026!

Our new term promises to be an exciting one for all of the children as they start their new topics and find out new and exciting things!

Look out for your class newsletters - they will share with you what your child will be learning this term. Your child's teacher will also be sharing their new Homework Menus for you to look at with them.

2026 is the Year of Reading! All staff in school are working hard to make reading a creative part of everyday learning, hoping to inspire a love of reading in every child. I urge you to help us to do this by discussing good stories and non-fiction with your child and by talking to them about books that you have loved to read yourself. There really is no other skill quite like reading for unlocking all opportunities!

Please see the link below for ways that you can support your child further.
