Living Well Together

Dear Parents and Carers,

Welcome back to school. We all hope you had some lovely family time in the week off school.

This season, our school is recognising two special times for people of faith: Lent for Christians and Ramadan for Muslims. Lent lasts for 40 days and helps Christians get ready for Easter. Many choose to give something up or do extra acts of kindness to remember Jesus and grow in their faith.

Ramadan is a month when Muslims fast during daylight, pray, read the Qur'an, and help others. It ends with a joyful celebration called Eid al-Fitr.

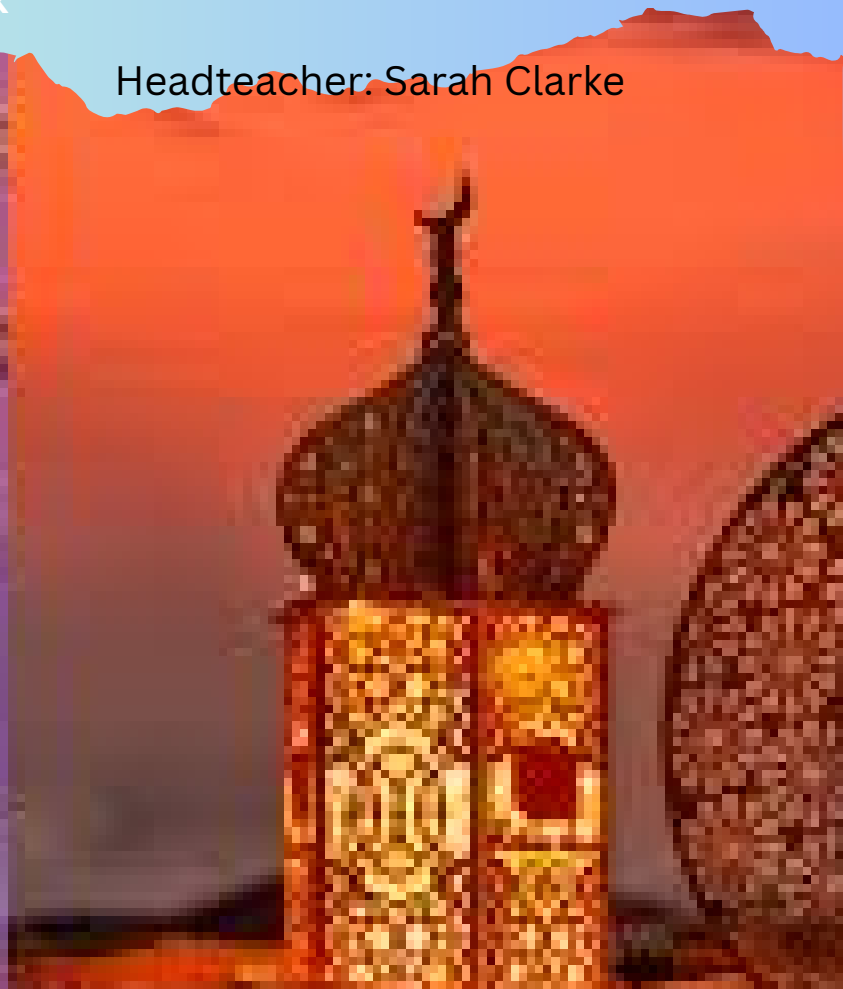

Both Lent and Ramadan encourage reflection, kindness, and caring for others, reminding us to support and understand everyone in our school community.

Supporting Your Child's Reading at Home

Reading is one of the most powerful ways to boost your child's learning across every subject. Research from BookTrust shows that regular reading improves wellbeing, creativity, and school progress. Children are also more likely to enjoy reading when adults at home enjoy and share books with them.
