

# THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Dear Parents and Carers,

The King's is working hard as a member of schools united to reduce their carbon footprint. Last week, we had a review meeting and were delighted to know that we are making great strides forward. Since our new boiler system was installed, we have saved over five tonnes of carbon - that's quite a feat in just five months!

Our action plan consultant, Jo Pettifer, was also very impressed with our uniform swap shop system that helps ensure that we are actively working to reduce the number of new items that we all buy. Pre-loved clothing is such a great way for us to help each other and the planet at the same time!

Please do remember to use this for your children and, when you can, bring in clean items that are still good enough to wear for us to pass on to other children.

## Parents Evenings

We are holding our parents evenings this half-term. Your child's class teacher will be sending you a Class Dojo message to coordinate a convenient time for you to discuss your child's progress and next steps. Please do pop in to discuss this with them if you cannot make the offered day as we will make every effort to accommodate around your work commitments.

Don't forget it is World Book Day this Thursday!
