

THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Dear Parents and Guardians,
Welcome back!

What a fun-packed term we have ahead of us! Please do take a short while to read the dates at the end of this newsletter and put them in your diaries.

This is a crucial term for all children as it is the term when all of their learning starts to really pay off and progress really happens. Please do ensure your child is in school every day unless they are really poorly so that they can make the most of every learning opportunity.

This term we are planning to do lots of planting around the school and are looking for any donations of plants or compost. Please do let the office know if you have anything that we could have to make our site more attractive and welcoming to insects! We are having a special sustainability week (18th May), this week will be launched on the Monday with a 'Come dressed as a bug' day so get planning those costumes! This is linked to the 100th birthday celebrations of Sir David Attenborough who inspires us all to keep doing as much as we can for our planet.
