

# THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Dear Parents and Guardians,

This term, our Year 3, 4 and 5 pupils will be heading off on their exciting residential trips to Walesby and Holme Pierrepont activity centres.

Invitations to the parent and guardian information meetings will be coming home shortly, so please keep an eye out. These meetings are a great opportunity to learn more about what your child will experience during their time away.

We are passionate about giving our children as many rich and varied experiences as possible during their time with us. We truly believe that memorable moments help shape who we are and influence the choices we make in the future. By offering a wide range of opportunities, we aim to spark new interests and broaden horizons for every child.

Making these experiences happen takes real dedication, and our staff at The King's consistently go above and beyond to organise trips and special days that create lasting memories for our children.

Our value for this term is Faith. We are proud of the many faiths of children and staff at The King's. One of our biggest strengths as a school is the the fact that we have such an admiration for others and a mutual respect of all members of our diverse community. Together we are strong!
