

THE KING'S CROSS PRIMARY ACADEMY

Living Well Together

Walesby Residential Trip!

What an amazing time our children (and staff) had at Walesby last week! If you have not already seen our Facebook posts, please take time to have a look at everything we got up to.

SATs

This week our Year 6 children are taking their statutory SATs. It is incredibly important that your child has a very good night's sleep every day to help them to do their very best so please make sure that you support them with this. We are offering a hot or cold breakfast in school for all Year 6 children. This time to relax together before the assessment time has really helped children in the past - they should just come to the main gate at 8am and walk round to the canteen where we will be waiting to serve them.

Our Year 2 children are also taking their optional SATs this week. These are non-compulsory and much less formally administered but most schools and academies use them to support teachers in their analysis of how children are progressing and inform their next planning steps to ensure all children are making as much progress as they can. Again, please make sure your child has a good night's sleep to support them with these assessments.

Sustainability Week

Next week, as part of Sir David Attenborough's birthday celebrations, we are working on class projects to develop a greater wildlife rich environment for birds, bugs, small wild animals and pond life. We hope this week will be a fantastic opportunity for pupils to take ownership of their environment and develop a deeper understanding of sustainability.

To launch this week, on Monday 18th May, **all children are invited to come dressed as insects or small animals** that might live on on our school grounds. We look forward to sharing with you the projects that we work on during this week.

On **Friday this week**, Our Attenborough Class is going to The Butterfly House.

Year 6 will be celebrating the end of SATs in style with a trip to the cinema and McDonalds!

Let's Celebrate!

Last week, Kahlo had the best attendance with 100%!

Simmonds Class came in second with 99.29 %

Obama Class was third with 99.25%.

Nicolas won the 100% attendance award

Our attendance for the whole school this year is currently at 94%. Thank you to everyone who is working so hard to be here, at school, every day!

This week we wish a very happy birthday to ...

Lola, Ryan, Alesha and Mercedes!

We all hope you all had or have a wonderful day!

Our amazing netball team took part in another match against Mount CofE Primary on Tuesday afternoon. The whole team played incredibly well, scoring three fantastic goals and once again showing great sportsmanship to the other team. Despite not winning, we are incredibly proud of our fantastic players!

Player of the game (as decided by Mount): Leela

Goal scorers: Ana (1), Leela (1) and Rares (1)

In our tournament on Friday we were equally proud! The team played brilliantly and scored some fantastic goals.

Goal scorers: Paige (2), Jayden-Lee (1)

Dates Coming Up

SATs week

11th May

Y6 Cinema Trip

15th May

Attenborough Class Trip

15th May

**Come dressed as a bug day &
