

# THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

## Walesby Residential Trip!

This week many children in Years 3 and 4 are going on Residential to Walesby Scout Camp. During their stay, they will have lake activities, a zip wire, assault course and a cave maze! Experiences such as this really help to shape character and strengthen your child's independence. We are really looking forward to spending time in the wonderful outdoors together!

## Year 6 SATs (Week commencing 11<sup>th</sup> May)

As our Year 6 pupils approach their SATs, we want to remind children and families that these assessments are just one small part of their learning journey. The most important thing is that every child tries their very best and approaches the week with confidence and a positive attitude. SATs help teachers understand how best to support pupils as they move on to the next stage of their education, but they do not measure everything that makes our children special. They do not define who they are, their talents, their kindness, or their potential. We are incredibly proud of the resilience, effort and growth our Year 6 pupils show every day, and we will be supporting them every step of the way.

# Let's Celebrate!

Last week, Anning had the best attendance with 99.49 %!

Benjamin Class came in second with 98.15 %

Kahlo Class was third with 97.01%.

Samantha won the 100% attendance award

Our attendance for the whole school this year is currently at 94%. Thank you to everyone who is working so hard to be here, at school, every day!

Going to school every day helps you learn new things step by step, so you don't miss important lessons that build on each other. Being present also lets you spend time with your friends and teachers, making school more fun and helping you feel part of the class.

This week we wish a very happy birthday to ...

Mabel, Alyia, Romany, Kadyn and Taylor!

Whether this was in the holidays or in the coming week, we all hope you all had or have a wonderful day!

Last week, the Year 5 and 6 Netball team took part in their first game against Farndon St Peter's CofE school. Farndon won this game, but we are still so proud of our team, as they represented our school amazingly, were incredibly respectful and played extremely well in their first ever competitive environment

Player of the game (as decided by Farndon): Paige  
Goal scorer: Rares (1)

This week, we have an away game against Mount and a multi-school tournament at the end of the week. We wish our netball team the best of luck for these upcoming competitions!

## Dates Coming Up
