

THE KING'S C OF E PRIMARY ACADEMY

Living Well Together

Goodbye and Good Luck, Mrs Boness!

This week, on Thursday, we say a fond farewell to our much-loved Deputy Headteacher, Mrs Boness, as she leaves us to begin an exciting new chapter in her career as Headteacher of Haggonfields Primary Academy.

During her time with us, she has made an outstanding contribution to our school community. Her unwavering commitment to children, her care for staff and families, and her high expectations for teaching and learning have helped shape the school we are so proud of today.

Whether leading on whole-school improvement, supporting colleagues with calm wisdom and encouragement, or spending time in classrooms with pupils, Mrs Boness has always led with integrity, kindness and a genuine passion for education.

Colleagues will miss her clarity, her humour and her ability to see the bigger picture while never losing sight of the individual child. Pupils will miss her warm smile and reassuring presence, and parents will miss her approachability and dedication to doing what is right for every family. While we are incredibly sad to see her go, we are equally proud. Mrs Boness' appointment as Headteacher is richly deserved, and Haggonfields Primary Academy is gaining an exceptional leader. We have no doubt that she will inspire her new school community just as she has inspired ours.

On behalf of the entire school, we thank Mrs Boness for everything she has given and wish her every success, happiness and fulfilment in her headship. She leaves with our gratitude, our admiration and our very best wishes.

Good luck, Mrs Boness– you will always be part of the family here at The King's!.

Let's Celebrate!

Last week, Davison had the best attendance with 100%!

Attenborough Class came in second with 98.94%

Rashford Class was third with 98.25%.

Our attendance for the whole school this year is currently at 94!%. Thank you to everyone who is working so hard to be here, at school, every day!

Going to school every day helps you learn new things step by step, so you don't miss important lessons that build on each other. Being present also lets you spend time with your friends and teachers, making school more fun and helping you feel part of the class.
